- 1-Bust
- 2-Waist
- 3-Hips
- 4-Girth
- 5-Inseam

If you are unsure of your child's size, please use the Girth measurement.

To measure the girth:
Put the tape measure on your child's shoulder, bring it down the torso between the legs and back up to the shoulders. (See the Orange line (#4) on the diagram to the right)

This measurement should be close to one of the girth measurements on the chart.
